

SOBRIETTA

When prophecy fails, survival becomes rebellion.

Logline

When a quiet space station technician receives a vision of planetary annihilation, he uncovers a hidden legacy connecting him to an ancient civilization - and a prophecy engineered to ensure his world's destruction.

Series Overview

Sobrietta is a limited animated sci-fi/fantasy series that blends grounded character drama with cosmic myth. Set on a dying planet that bridges intergalactic tech and ancient secrets, the story explores survival, identity, and the danger of inherited destiny.

Tone: Cinematic, mythic, raw.

Think: Scavengers Reign x Attack on Titan x Halo.

Key Characters

Kael Dravyn - A reluctant hero marked by ancient DNA.

Agent 55 - A former enforcer of the prophecy who now seeks to dismantle it.

Vorehn - A shaman who manipulates belief to shape destruction.

Riven & Sela - Zealots who believe they're saving the world by ending it.

Creators

Created by Drew Jones (Writer/Creator) and Trevor David Jones (Artist/Co-Creator), two brothers who grew up building worlds they never saw themselves in. Sobrietta is a challenge to the genre - to center new voices, to burn the old systems, and to make something bold.
